# HyperSpace

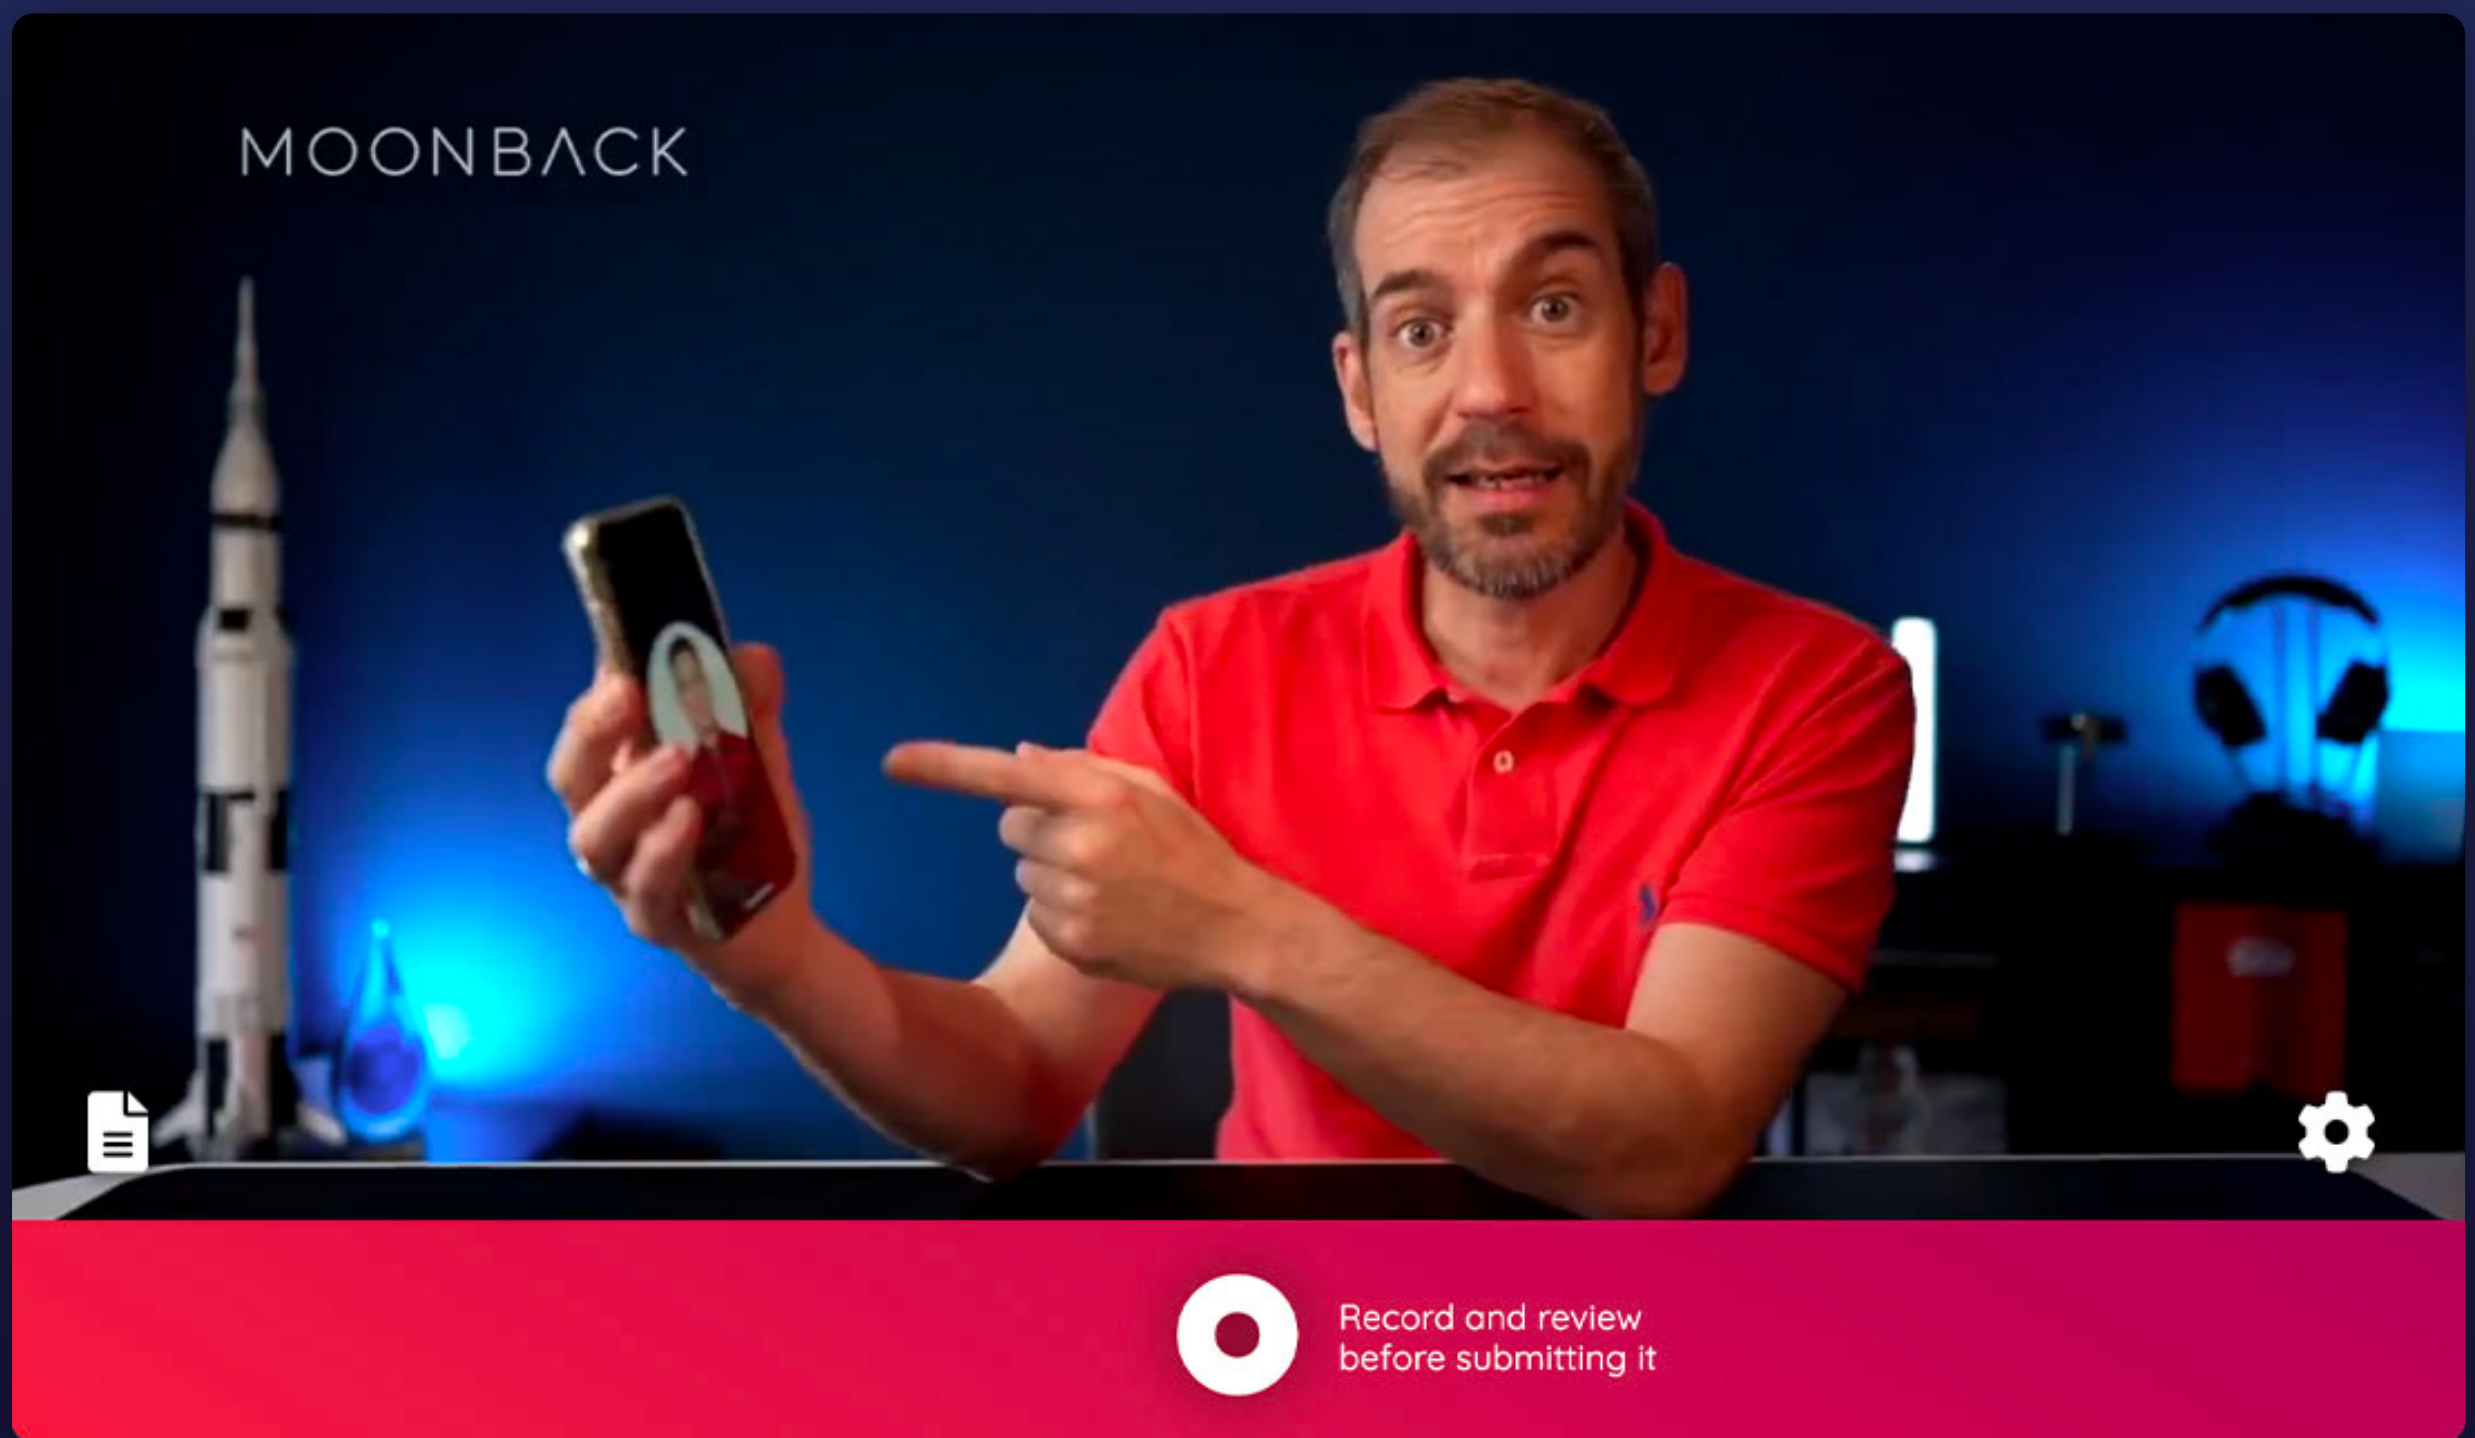

Reporting &  
decision making

at speed of light!

# 1 Preparing new HyperSpace

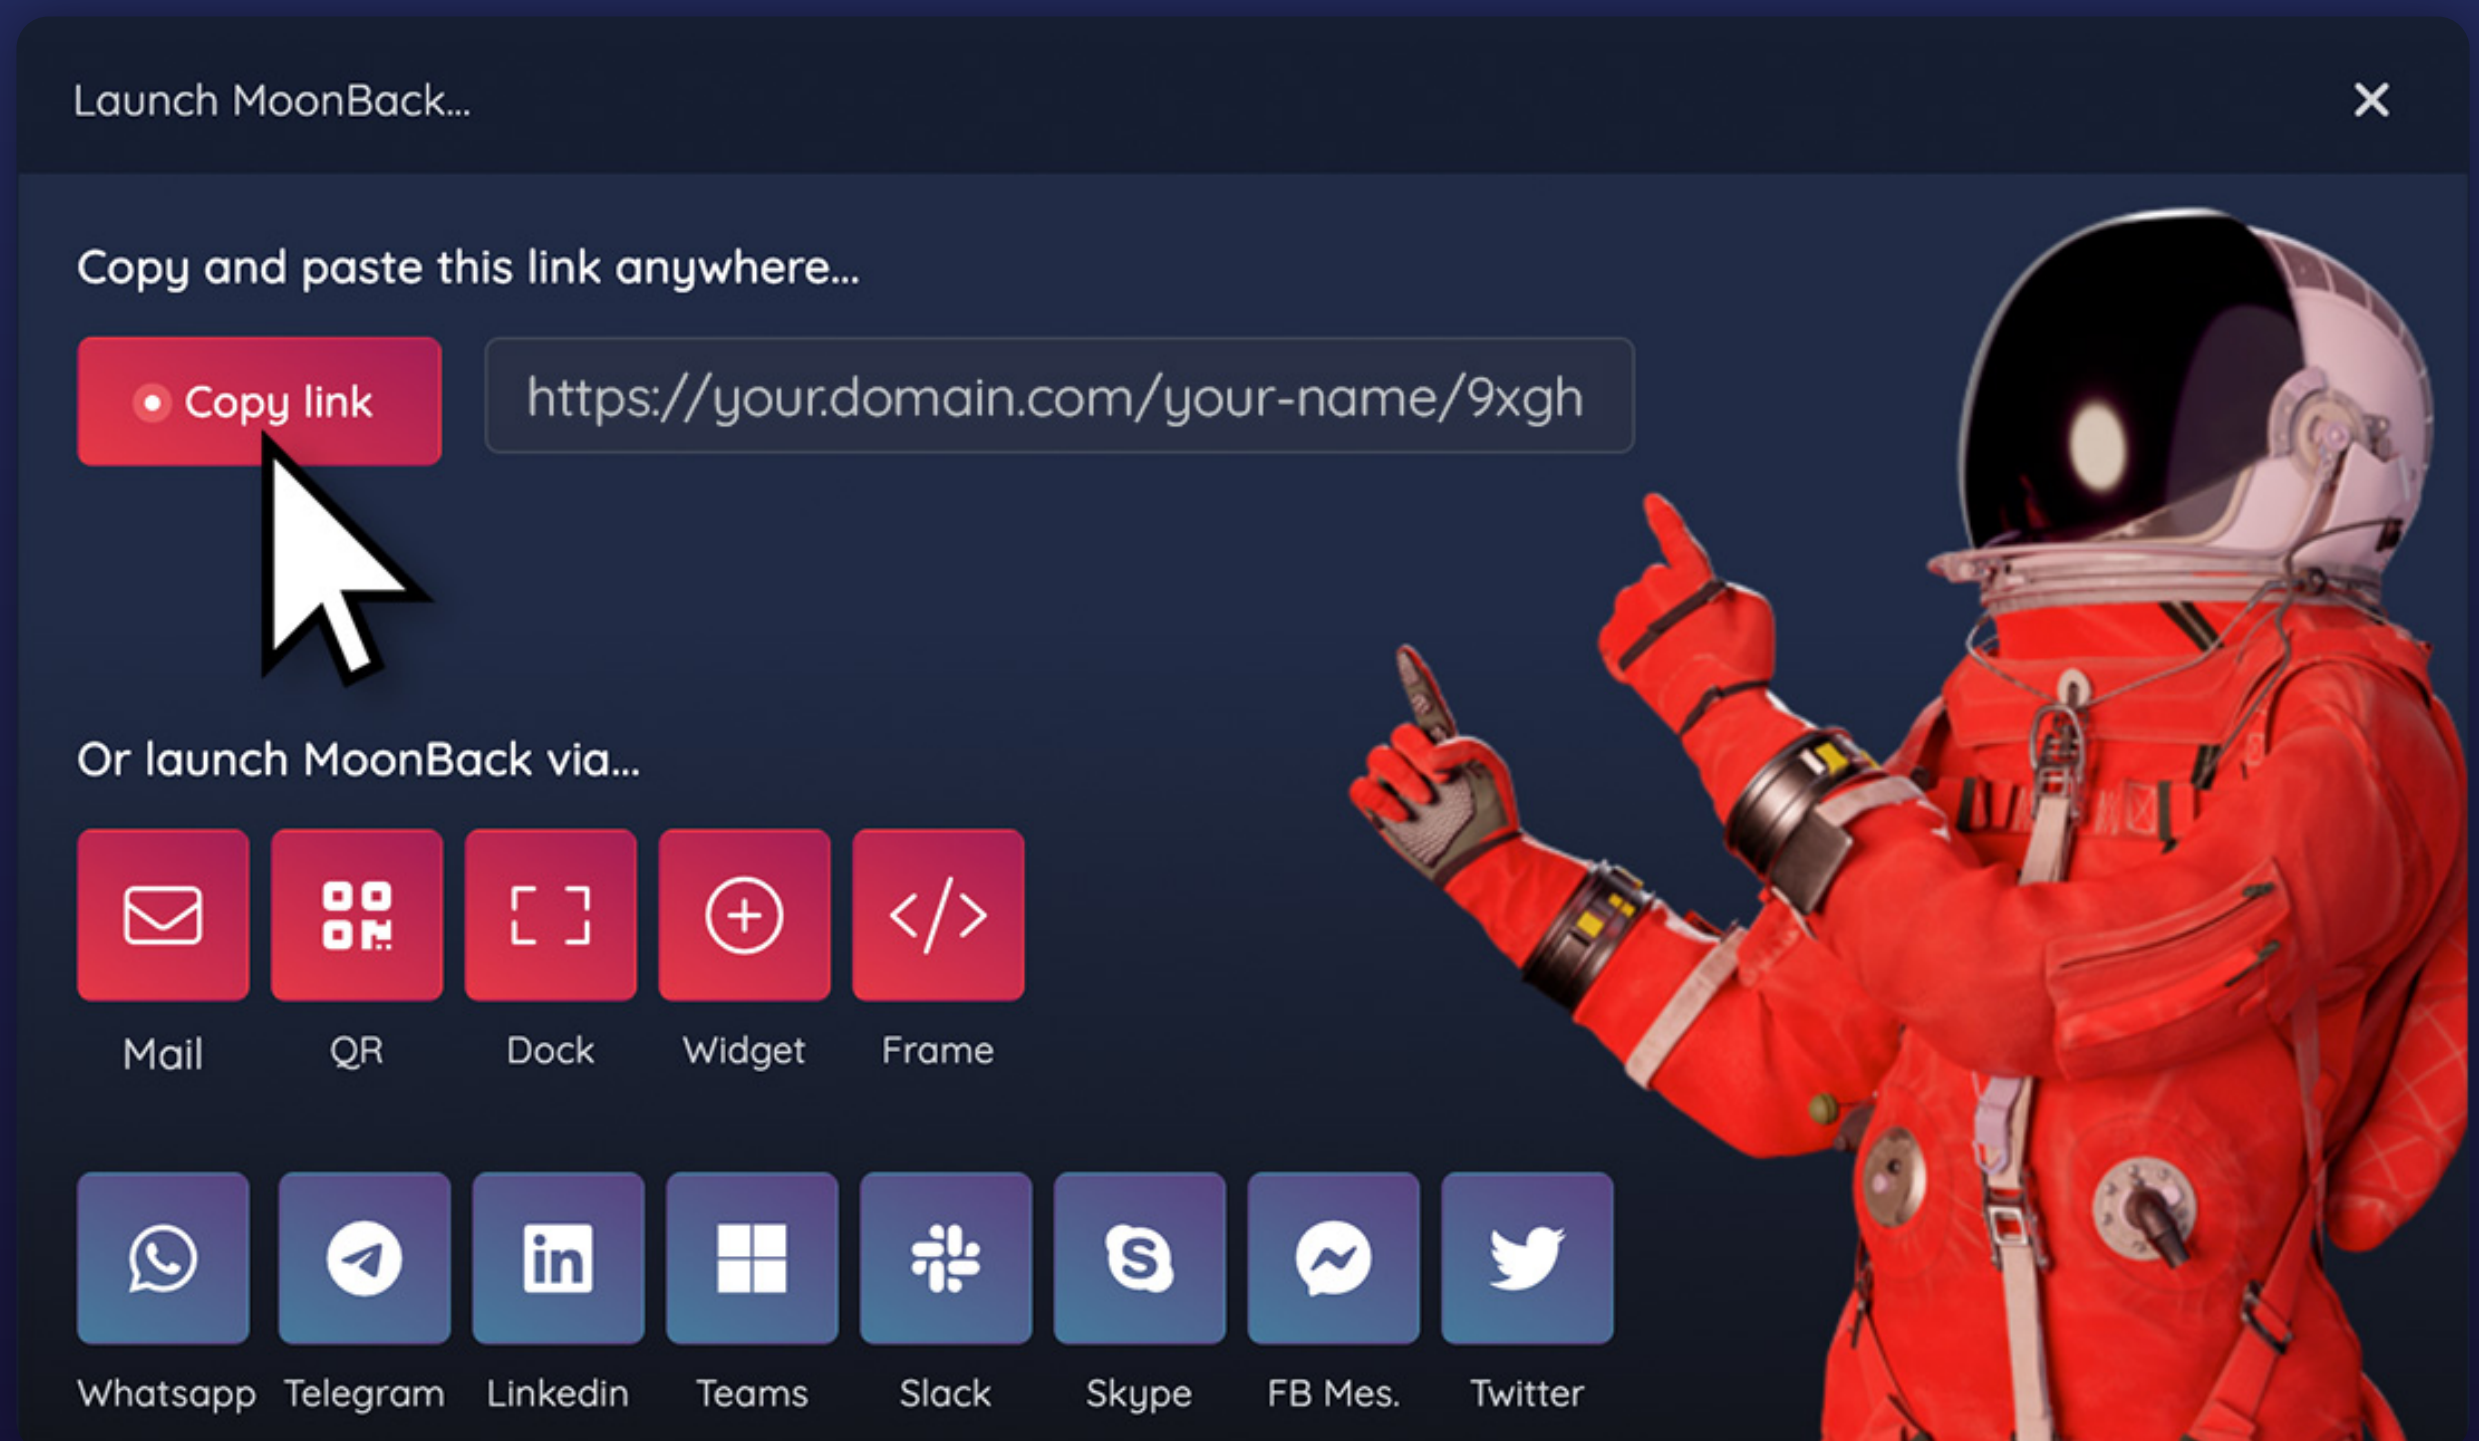

Describe your reporting or decision making by recording a MoonBack.

**i** A MoonBack is a exclusive, super real, short video (up to 83 seconds)

## 2 Jumping into

Quick copy a link to your HyperSpace.  
Paste it where your participants are.

Launch MoonBack... ✕

Copy and paste this link anywhere...

• Copy link `https://your.domain.com/your-name/9xgh`

Or launch MoonBack via...

Mail QR Dock Widget Frame

Whatsapp Telegram LinkedIn Teams Slack Skype FB Mes. Twitter

The screenshot shows a user interface for launching MoonBack. At the top, there's a title bar "Launch MoonBack..." with a close button. Below it, a prompt says "Copy and paste this link anywhere...". A red button labeled "Copy link" is highlighted by a mouse cursor. To its right is a text input field containing the URL "https://your.domain.com/your-name/9xgh". Below this, another prompt says "Or launch MoonBack via...". Underneath are two rows of sharing options. The first row includes "Mail", "QR", "Dock", "Widget", and "Frame", each with a corresponding icon. The second row includes "Whatsapp", "Telegram", "LinkedIn", "Teams", "Slack", "Skype", "FB Mes.", and "Twitter", each with its respective icon. On the right side of the interface, there is a 3D rendering of an astronaut in a red spacesuit, pointing upwards with both hands.

## 3 Speeding up!

Participants vote & report by recording a MoonBack. No registrations or apps required!

The screenshot displays the MoonBack interface. On the left, a video call window shows a woman with long dark hair smiling. The video player has a 'MOONBACK' watermark in the top left. Below the video is a control bar with icons for mute, video off, video on, and a 'New reply' button with a camera icon and the text 'You can retry if you don't like it'. Below the video player is a user profile for Daniel Vecino, MoonBack, with a 'Download' button and social media links. On the right, a poll titled 'HYPERSPACE | DECISION MAKING' asks 'What is the most critical change management project to execute and why?'. The poll has a timer showing '4 days 13 h 48 m 32 s' and a 'New reply' button. The poll options are: 'Asynchronous meetings', 'Exclusive on meetings', 'Memorable internal communication', and 'Other'. A mouse cursor is pointing at the 'Asynchronous meetings' option. At the bottom right, there is an image of an astronaut in a red suit holding a smartphone. The bottom of the interface features the 'MOONBACK' logo, a language selector set to 'English', and a footer with links for 'Privacy policy', 'Terms and conditions', 'Legal notice', 'Security', 'Copyright © 2021', and 'All rights reserved'.

# 4 Assessing data

Discover at a glance each participant's main insight using our **AI-generated one-page logbook**.

*i* Interaction log & 100+ KPIs are available in the Control Center

## 5 Jumping out

Add your final thoughts & decision by recording a MoonBack. Print or share your updated logbook.
